Where dreams become reality

Former Canadian Olympic Team Coach and 15 year MLB scout, Marty Lehn and former Boston Red Sox player, Colin Dixon, head up the camp.

Marty has been a Major League Scout for the past 15 years as well as the Head Coach or Assistant Coach for both our Canadian National team and Team BC for a number of years. Having been part of the Bronze medal Pan American Games team, a number of World qualifiers, World Championships and Olympic Qualifiers, it was the summer of 2004 that proved to be a most memorable one as he was on the coaching staff of the Canadian Olympic Team that finished fourth at the 2004 Olympic Games held in Athens, Greece. With Team BC he guided the club to a Gold medal in 2001 and Silver in 2005.

He was recognized by Baseball BC as the Coach of the year in 1997 and named Canadian Coach of the year in 1998 by Baseball Canada. He has been a guest coach with the Toronto Blue Jays and Chicago White Sox organizations. Marty is a NCCP Level IV coach that leads a number of coach and player clinics throughout the year. Marty played and coached at Southeastern Louisiana University where he completed a Masters Degree in Exercise Science and Health Promotion.

Colin was drafted by the Boston Red Sox in 1989 and played eight years with that organization up to the AAA level. He then signed with the Colorado Rockies organization as a free agent. He was a member of the 1999 Team Canada that won the bronze medal at the Pan Am Games in Winnipeg, Manitoba. In 1998, he was named to America's All-Star team at the America's Cup Challenge and participated at the World Championships held in Italy later that year. Colin attended Southeastern Louisiana University where he led the team in a number of offensive categories and received All-American status. He was the youngest player to play for Canada's National and Jr. National teams at age 17 and is a product of B.C.'s elite development programs.
